A morning assembly is held every day.

Thursday     Years 10 and 11

Friday        House

Within year assemblies we observe a period of ‘quiet’ that starts each day in a spiritually calming and relaxed mood. We incorporate also a ‘Thought for the Day’ that focuses on contemporary moral issues and events of great concern. These ‘Thoughts for the Day’ and our ‘quiet’ that usually follows them constitute our non-denominational collective daily act of worship. The theme for the ‘Thought for the Day’ remains consistent throughout the week.

Parents who wish to exercise their right to withdraw their child from religious activities are requested to arrange to speak to the Headteacher before doing so.
